Principal:

The Principals have to plan for the overall development of their institution on various fronts like academic, non academic, infrastructural and co-curricular. They have to coordinate with the staff, the parents and the higher officers and ensure that the institution is maintained in such a way that the aims of the organization are realized to the fullest extent. As leaders of the institution they have to set an example to their students and instill good values and a love for study. On a general note their duties would include.

- a) All prescribed activities in the area of curricular, co-curricular, are implemented with seriousness; and
- b) An environment is created to encourage innovation and specified pace setting activities in the field of education.
- c) Daily during 5.00 A.M to 6.00 A.M, the Principal should take a round of the dormitory and participate along with students in the Yoga or Physical Exercises and take a round of the kitchen to check the breakfast preparation (45 minutes).
- d) Principal, along with all teachers of the school must be present during the assembly (i.e. from 7.30 AM to 7.45 AM). Mikes should be utilized for Assembly. Besides the existing routine, the Principal or any teacher, by rotation, should speak a few minutes either on the significance of the day or on any topic of current importance or read any poetry etc. as part of the Assembly items (20 minutes).
- e) (The main instructional periods in the school are from 7.45 AM to 1.25 PM) The Principal is expected to personally attend to the following important items of work and should also ensure that approximately time spent on each item of work is nearer to the time allocated for the activity hereunder:

Sl. No.	Activity	Time allocated
1	Substitution work	15 minutes
2	Teaching one period daily	45 minutes
3	Classroom observation (one class daily)	45 minutes
4	Written work scrutiny	60 minutes
5	Rounds to classes (two)	20 minutes
6	Round to kitchen and tasting of food before it is served to students	20 minutes

9	To supervise club activities & Homework	30 minutes
10	Office work	90 minutes
11	Meeting visitors	30 minutes
12	Time available for unforeseen activities	45 minutes
	Total	450 minutes

- f) The Games & Sports activities are taken up in the school between 4.45 PM to 5.45 PM. Principal should actively participate in the activity by playing games regularly at least for half an hour with the students. The Principal should encourage all other teachers also to play games during the games hours. This is considered essential not only for the physical and mental health of the Principal and teachers, but it will create a healthy atmosphere in the entire institution. In the games time, the teachers and students mingle up freely and direct communication is established between the Principals and students. Keeping in view, the fact that the students are from weaker section families and some of them may be low on confidence, it is of utmost importance that Principal must participate in the games and develop a direct channel of communication with the students. This is the place where, if proper rapport is established between the Principal and the students, the students will immediately approach the Principal without hesitation for any of their problems. Unless this kind of confidence is built, a residential school cannot be managed efficiently.
- g) During the post lunch 2.30 PM to 4.30 PM and night study hours, i.e. 7.00 PM to 9.00 PM, the presence of the Principal is a must in the institution.
- h) As far as supervision of routine work is concerned i.e., scrutiny of home work, notebooks, assignment books, project reports, slip tests, answer sheets and examination, answer sheets etc. is concerned, the work may be shared between the Principal and the Vice Principal. But such sharing should not be on permanent basis and the Principal should look into the routine work of all classes by rotation.
- i) The Principals have to prepare a home work time table for their schools i.e. guidelines for giving homework and collection of homework notebooks for scrutiny and return.
- j) On any particular day, if the Principal is prevented physically from performing any or all of the daily activities mentioned above, the Vice Principal should automatically supervise the activities. If Vice Principal and Principal, both are not available, whosoever is in charge of the school, should attend to all the items of work indicated above except classroom teaching and classroom observation.

Teaching Staff:

Junior Lecturers, Post Graduate Teachers (Senior Resident Teachers), Trained Graduate Teachers (Resident Teachers).

- a) Day study duty, night study duty and rotation duties on Sundays and Holidays is a part of the duties of residential school teaching staff and any dereliction of duty in regard to any of the above areas will be treated as grave lapse and non-performance of core duties of the teacher in the Society.
- b) Since the rotation duties on Sundays and Holidays are part of the duties of Residential School teachers, they are not entitled to any compensatory leave for performing such duties.
- c) A teacher of one subject may be required, in the interest of the students to teach any other subject for which a teacher is not available. Such arrangements are necessary in any school and are part of the normal duties of any teacher.
- d) All teachers are expected to work as a team and strive to the best of their ability to improve the academic standards in the school. While doing so, a PGT may be required to help the students of 6th or 7th class or the Intermediate students. Similarly, a Junior Lecturer may also be required to help school students from 6th class or conversely a TGT may be required to help the students in Secondary or Intermediate classes. This kind of arrangement should be worked out in the subject-wise faculty meetings by the Principal in a cordial environment keeping the interest of the students in mind and in a team spirit. Once such arrangements are worked out, it is the duty of all the teachers to cooperate and sincerely implement the same.
- e) In the timetable, there may be some free periods. The teacher has to do other items of work connected with the teaching during this period. This work includes correction of homework, assignments, slip tests, answer sheets etc. It also includes preparation of progress cards for the students, analyzing student performance, identification of slow learners and bright students, preparing tasks to be given to slow learners and bright students, preparing lesson plans and teaching notes, writing of teachers daily diary after completion of the period, preparation of teaching aids, conception of projects. In addition to this, every teacher may be in charge of a house or may be in charge of club or any other co-curricular/extracurricular activity or a class teacher. For these activities also the teacher has to make preparation during the so-called leisure periods. A housemaster may have to write post cards to parents on many issues.
- f) Every teacher is expected to perform up to the maximum of his / her potential.

Special Teachers i.e. Art/Craft/Music Teachers:

- a) The Art/Music/Craft teachers have to prepare annual work plan with month-wise action plan. Such work plan shall be approved by the Principal.
- b) They shall identify the interested students by the end of June every year. Funds will be released for purchase of the raw material or tools and equipment to take up the approved activity by each of them.
- c) Necessary training in Art/Craft/Music will be taken up for the interested students to make them appear for the certificate courses. The Society will bear the cost of examination fee for such certificate courses.
- d) The teacher in consultation with the Principal shall prepare Socially Useful Productive Projects.

- e) The teacher will be a member of the School's Resources mobilization committee, which will look into the possible areas of revenue-yielding activities to be taken up for raising internal resources in the institution.
- f) They shall perform the duties of the House Parent as and when the Principal needs their services. The teacher shall also ensure proper supervision during lunch duty along with PD and PET.

Physical Director/Physical Education Teacher:

- a) The Physical Director and the Physical Education Teacher shall be present in the campus from 5.00 AM to till the end of academic schedule on the day.

IV. The Procedure followed in the Decision Making Process, including channels of Supervision and Accountability:

Administrative Accountability:

As per the by-laws and service rules of MJPTBCWREIS, Secretary is the executive head of the organization. He/she takes all decisions for the day to day functioning of the Society.

Decisions regarding disciplinary proceedings in the case of Principals, other teaching, non teaching staff and appeals in the case of Principals and other teaching and non-teaching staff are taken by the respective appointing authorities and appellate authorities. Decisions regarding recruitment and new initiatives are taken either by the standing committees, or the Chairman or the Board of Governors.

Supervision:-

- The ultimate accountability of every functionary of the Society lies with the Board of Governors. However, there are hierarchies in the organization and the officers occupying those posts are accountable to their next superior and so on. However, at the institution level, the entire non-teaching and teaching staff, are accountable to the Principal.
- Principal in turn, is accountable to the District Administration who are the immediate monitoring/supervisory authority at the District level. The Principals are also accountable to the Secretary in the discharge of their duties and responsibilities of both academic and financial nature.
